

EWMA-SYMPOSIUM: CHALLENGE YOUR PRACTICE: WOUND MANAGEMENT AND DRESSING SELECTION IN THE COMMUNITY

This Nursing in the Community study day, at EWMA 2015, will give accessible, practical guidance on understanding, assessing, and managing wounds, so that attendees gain a clear working knowledge of what needs to be done in community care to achieve better outcomes.

Experts in wound care will speak at this full-day symposium.

Thursday 14 May Programme
