

# PROGRAMME OVERVIEW TUESDAY AND WEDNESDAY

TIME	Platinum 1-2	Platinum 3-4	South Gallery 19-22	South Gallery 23-26	South Gallery 11-12
<b>TUESDAY 12 MAY</b>					
17:00-20:00	<b>Pre-registration event</b>				
17:00-20:00	<b>Reception of the 35th anniversary of the Tissue Viability Society</b>				
<b>WEDNESDAY 13 MAY</b>					
09:00-09:30	<b>Platinum 1-4</b>				
09:30-10:00	<b>Opening Ceremony</b> EWMA Scientific Recorder J.V. Soriano, EWMA President Salla Seppänen, TVS chair Tina Chambers				
10:00-11:30	<b>Opening Plenary session: Wound Care - Shaping the future - A patient, professional, provider and payer perspective</b> Chairs: S. Seppänen, S. Lächli <i>S. Seppänen:</i> Introduction to the patient, professional, provider and payer perspective <i>J. Coles:</i> Wound Care - Shaping the future. Patient Perspective <i>H. Joy:</i> Wound Care - Shaping the future. Provider perspective <i>J. Ferguson:</i> Wound Care - Shaping the future. Payer Perspective				
11:30-13:45	Lunch & Exhibition				
12:00-13:45	<b>E-Poster sessions: Leg Ulcer, Dressings 1, Negative Pressure Wound Therapy, Antimicrobials 1</b>				
12:30-13:30	<b>Industry Sponsored Satellite Symposium</b> Details are available page 100	<b>Industry Sponsored Satellite Symposium</b> Details are available page 100			
13:45-15:00	<b>Free Paper Session: Basic Science 1</b> Chairs: G. Jukema, F. Spratt ☐1, 2, 3, 4, 5, 6, 7	<b>Free Paper Session: Leg Ulcer 1</b> Chairs: J.Traber, J. Dissemond ☐8, 9, 10, 11, 12	<b>Free Paper Session: Negative Pressure Wound Therapy 1</b> Chairs: K. Kröger, J. Stryja ☐13, 14, 15, 16, 17, 18	<b>Guest Session The European Federation of National Associations of Orthopaedics and Traumatology (EFORT): Wound management in Orthopedic challenges</b> 	<b>Workshop: Biofilm</b> S. Eickhardt Sørensen S. Percival K. Kirketerp-Møller
15:00-15:30	Coffee break				
15:00-15:30	<b>E-Poster sessions: Acute Wounds, Prevention 1, Quality of Life, Antimicrobials 2</b>				
15:30-16:30	<b>Industry Sponsored Satellite Symposium</b> Details are available page 100	<b>Industry Sponsored Satellite Symposium</b> Details are available page 101	<b>Industry Sponsored Satellite Symposium</b> Details are available page 101	<b>Industry Sponsored Satellite Symposium</b> Details are available page 101	<b>Industry Sponsored Satellite Symposium</b> Details are available page 101
16:45-18:00	<b>Key Session: Palliative wound care – Evidence-based practice for managing challenging skin lesions</b> Chairs: S. Probst, U. Adderley ☐32. <i>P. Grocott:</i> Palliative wound care - when healing is not the aim ☐33. <i>B. Lund-Nielsen:</i> The psychological impact of malignant wounds ☐34. <i>U. Adderley:</i> Dressings and topical treatments for malignant wounds ☐35. <i>S. Probst:</i> European guideline on palliative wound care– current research on how to deliver palliative wound care	<b>Key Session: Wound care &amp; geriatrics/ Dementia in wound care</b> Chairs: F. Spratt, H. Vuagnat ☐36. <i>Kottner:</i> Of youth and Age – what are the pathological differences? ☐37. <i>H. Vuagnat:</i> The ageing process - how does it impact on tissue repair? ☐38. <i>C. Moffat:</i> Quality of life and wounds – focused on the older person ☐39. <i>S. Kennelly:</i> Wound care in the older confused adult – what is the best approach?	<b>Guest session: The International Wound Infection Institution (IWII) Wound infection</b> 		<b>Workshop: Meet the Experts: Everything You Want to Know about Maggot Therapy</b> F. Gottrup W. Fleischmann T. Karlsmark G. Jukema
18:10-19:10					

WEDNESDAY 13 MAY • Registration 07:30-18:30 • Exhibition 09:30-17:00

Due to CME regulations no industry names or logos are allowed in the overview programme.  
 Detailed programme of industry sessions is available on page 100-108.  
 Detailed descriptions of sessions available page 42-72.

South Gallery 13-14	South Gallery 15-16	Platinum 5	Platinum 6	Platinum 7	South Gallery 3-4
---------------------	---------------------	------------	------------	------------	-------------------

		08:45-09:15 <b>Official EWMA UCM initial gathering, briefing from EWMA</b> Chair: M. Flanagan			

<b>Free Paper Session: Dressings</b> Chairs: K. Rajpaul, G. Sussman ☐ 19, 20, 21, 22, 23, 24	<b>Guest session The European Society for Clinical Nutrition and Metabolism (ESPEN): Immunonutrition in wound healing</b> 	<b>Guest session World Alliance for Wound &amp; Lymphedema Care (WAWLC): Update on WAWLC Activities in Resource-limited Settings</b> 	<b>Free Paper Session: Health Economics &amp; Outcome</b> Chairs: F. Gottrup, W. McGuiness ☐ 25, 26, 27, 28, 29, 30, 31		<b>Workshop: Debridement</b> C. Rosset C. Wyndham White Please note that there is a limited number of seats for this workshop.

	<b>Industry Sponsored Satellite Symposium</b> Details are available page 101		<b>EWMA Undergraduate Course</b> H. Sandoz: Pressure ulcers and Introduction to TVS C. Johnston: Pressure ulcer prevention: The skills, knowledge and practice needed in the undergraduate curriculum E. Jude: Diabetic Foot Ulcers S. Bale: Career options for nurses in wound management		
<b>Workshop: Strategies for engaging students - support from new technologies in the delivery of education</b> Speaker to be announced		<b>Guest session: Leg Ulcer Forum (LUF)</b> 		<b>Guest session: European Society of Plastic Reconstructive and Aesthetic Surgery (ESPRAS) Reconstructive surgery of wounds</b> 	<b>Workshop: Debridement</b> C. Rosset C. Wyndham White Please note that there is a limited number of seats for this workshop.

 Detailed descriptions of sessions available page 42-72.

# PROGRAMME OVERVIEW THURSDAY 08:00-15:40

TIME	Platinum 1-2	Platinum 3-4	South Gallery 19-22	South Gallery 23-26	South Gallery 11-12
<b>THURSDAY 14 MAY</b>					
08:00-09:30	<b>Free Paper Session: Infection and Antimicrobials</b> Chairs: M. Koschnik, G. Sussman  ☐40, 41, 42, 43, 44, 45, 46, 47	<b>Free Paper Session: Pressure Ulcer 1</b> Chairs: T. Santos, A. Pokorná  ☐48, 49, 50, 51, 52, 53, 54, 55, 56	<b>Free Paper Session: Acute Wounds</b> Chairs: K. Kröger, C. Durante  ☐57, 58, 61, 62, 63, 64, 65	Start 8:15 <b>TVS stream</b> <i>T. Chambers:</i> The TVS in focus ☐66.-67. <i>C. Lecko &amp; S. Coleman:</i> Pressure Ulcer and Wounds Reporting in NHS Hospitals ☐68. <i>G. Stansby:</i> Multidisciplinary approaches to pressure ulcer care	<b>Guest session International Compression Club (ICC)</b> <b>Compression therapy for treating leg ulcers</b>  
09:30-10:00	Coffee break				
09:30-10:00	<b>E-Poster sessions: Dressings 2, Basic Science 1, Burns 1, Prevention 2</b>				
10:00-11:00	<b>Free Paper Session: Devices &amp; Intervention 1</b> Chairs: W. McGuiness, A. Jawien  ☐89, 90, 91, 92, 93	<b>Free Paper Session: Pressure Ulcer 2</b> Chairs: C. Wyndham-White, L. Gryson  ☐94, 95, 96, 97, 98	10:30-12:30 <b>Challenge your Practice: wound management and dressing selection in the community</b> <i>Z. Moore:</i> Official welcome and opening of day <i>Z. Moore:</i> What is the wound telling you? <i>S. Barrett:</i> Preparing the wound for healing <i>S. Barrett:</i> Q&A  	10:00-11:15 <b>TVS stream</b> ☐99. <i>D. Muir &amp; F. Spratt:</i> Engaging Patients and Carers in Wound Treatment and Prevention: The patient perspective  <b>TVS stream: Regional TV Network Showcase</b>  ☐104, 105, 106, 107, 108, 109	<b>Guest session International Compression Club (ICC)</b> <b>Compression therapy for treating leg ulcers</b>  
11:15-12:15	<b>Industry Sponsored Satellite Symposium</b> Details are available page 103	<b>Industry Sponsored Satellite Symposium</b> Details are available page 103			
12:15-14:15	Lunch & Exhibition				
12:45-14:15	<b>E-Poster sessions: Education, Devices &amp; Intervention, Diabetic Foot, Dressings 3</b>				
13:15-14:15	<b>Industry Sponsored Satellite Symposium</b> Details are available page 103	<b>Industry Sponsored Satellite Symposium</b> Details are available page 104	13:30-15:00 <b>Challenge your Practice: wound management and dressing selection in the community</b> <i>M. Collier:</i> Selecting the right products <i>J. Milne:</i> Compression therapy — methods and best practice  	<b>TVS stream: Regional TV Network Showcase</b>  ☐110, 111, 112, 113, 114, 115	
14:15-15:10	<b>Free Paper Session: Basic Science 2</b> Chairs: M. Koschnik, C. Thyse  ☐116, 117, 118, 119, 120	<b>Free Paper Session: Prevention</b> Chairs: H. Vuagnat, P. Wilson  ☐121, 123, 124, 188		<b>TVS stream</b> ☐125. <i>L. Primmer:</i> Unstageable/Ungradeable Project ☐126.-127. <i>G. Sykes &amp; N. Stubbs:</i> A whole foot, or a hole in the foot? Long term pressure relief devices and multi-disciplinary management	<b>Antimicrobial stewardship in wound management. Joint Symposium of BSAC and EWMA</b> Chairs: <i>D. Nathwani, F. Gottrup</i> <i>F. Gottrup:</i> EWMA's vision for antimicrobial Stewardship in Wound Care <i>D. Nathwani:</i> The importance of antimicrobial stewardship in wound management <i>B. Lipsky:</i> Diagnosis of chronic wound infections  
14:15-15:10	<b>E-Poster sessions: Health Economics &amp; Outcome, Infection, e-Health, Nutrition, Pain, Home Care, Pressure Ulcer 1</b>				
15:10-15:40	Coffee break				
15:10-15:40	<b>E-Poster sessions: Wound Assessment, Burns 2, Basic Science 2, Pressure Ulcer 2</b>				

THURSDAY 14 MAY • Registration 07:00-18:00 • Exhibition 09:00-17:00

Due to CME regulations no industry names or logos are allowed in the overview programme.  
 Detailed programme of industry sessions is available on page 100-108.

# PROGRAMME OVERVIEW FRIDAY 08:00-12:15

TIME	Platinum 1-2	Platinum 3-4	South Gallery 19-22	South Gallery 23-26	South Gallery 11-12
<b>FRIDAY 15 MAY</b>					
08:00-09:30	<p><b>Key Session: Paediatric Wound Care</b> Chairs: K. Rajpaul, R. Rimdeika</p> <ul style="list-style-type: none"> <li>□131. <i>C. Acton</i>: Managing paediatric wound infections (post surgery). Preventative</li> <li>□132. <i>G. Ciprandi</i>: Complex wounds in paediatric patients: new trends and refinements</li> <li>□133. <i>J. Denyer</i>: Management of pain in paediatric wound care using the model of the child with epidermolysis bullosa</li> </ul>	<p><b>Key Session: Tissue engineering and wounds –where are we now?</b> Chairs: P. Vowden, J. Apelqvist</p> <p><i>P. Vowden</i>: Tissue Engineering why did we fail?</p> <p><i>A. Piaggese</i>: Emerging therapies – Cellular therapies</p> <p><i>S. Läubli</i>: Practical experiences with skin substitutes</p> <p><i>D. Tobin</i>: Emerging therapies stem cells</p>	<p><b>Key Session: Pressure Ulcer Risk Assessment: What do we know today?</b> Chairs: H. Sandoz, S. Bale</p> <ul style="list-style-type: none"> <li>□134. <i>I. Smith</i>: What is the extent of pain suffering, and is pain predictive of pressure ulcer development?</li> <li>□135. <i>J. Keen</i>: Why do patients develop severe pressure ulcers?</li> <li>□136. <i>E. Johansen</i>: What difference does a risk assessment tool make?</li> <li>□137. <i>D. Beeckman</i>: Factors predicting risk of PU development in hospital population</li> </ul>	<p><b>EWMA eHealth Symposium: Remote assessment in wound care: Towards mature solutions and large scale deployment</b> Chairs: D. Whitehouse, J Frøkjær</p> <p><i>T. Niemi</i>: Results from the eMedic project in Finland: Pilot studies on the use of teleconsultations for diabetic foot ulcer patients</p> <p><i>J. Frøkjær</i>: Results from the Renewing Health Project: RCT on the use of telemedicine for the DFU follow up</p> <p><i>D. Whitehouse</i>: Gathering Momentum in European telemedicine projects: the critical success factors</p> <p><i>L. Witkamp</i>: The importance of a good business case: The KSYOS case</p> <p><i>D. Skou Lassen</i>: Report on national deployment of remote assessment in wound care in Denmark. Status, value and barriers</p> 	
09:30-10:15	Coffee break				
10:15-11:15	<p><b>Free Paper Session: Wound Assessment</b> Chairs: A.-M. Fagerdahl G. Russell</p> <ul style="list-style-type: none"> <li>□138, 139, 140, 141, 142, 143</li> </ul>	<p><b>Free Paper Session: Diabetic Foot 2</b> Chairs: A. Piaggese G. Sykes</p> <ul style="list-style-type: none"> <li>□144, 145, 146, 147, 148, 149</li> </ul>	<p><b>Workshop: Evidence-based Pressure Ulcer Risk Assessment and Implementation in Clinical Practice</b> <i>S. Coleman</i> <i>E. McGinnis</i></p>	<p><b>eHealth Symposium: The health care system of the future - health care without borders</b> Chairs: D. Whitehouse, P. Vowden</p> <p><i>Y.W. Siang</i>: Where will health care be in 10 years? Introduction to the concept of borderless healthcare</p> <p><i>R. Wilson</i>: eHealth supporting integrated care</p> <p><i>W. McGuinness</i>: Managing wounds as a team in the eHealth context: The EWMA position document 'Managing Wounds as a Team'</p> 	<p><b>Free Paper Session: Devices &amp; Intervention 2</b> Chairs: A. Jawien E. Jude</p> <ul style="list-style-type: none"> <li>□150, 151, 152, 153</li> </ul>
11:15-12:15	<p><b>Free Paper Session: Negative Pressure Wound Therapy 2</b> Chairs: A.-M. Fagerdahl J. Stryja</p> <ul style="list-style-type: none"> <li>□162, 163, 164, 165, 166</li> </ul>	<p><b>Free Paper Session: Leg Ulcer 2</b> Chairs: J. Geraghty J. Dissemond</p> <ul style="list-style-type: none"> <li>□167, 168, 169, 170, 171</li> </ul>		<p><b>eHealth Symposium: The organisational dimension of eHealth implementation</b> Chairs: S. Schug, K. Yderstræde</p> <p><i>S. Schug</i>: Introduction: The organisational dimension of eHealth implementation: Health System and process perspectives.</p> <p><i>G. Grooms</i>: Change Management in a changing world</p> <p><i>J. Taylor</i>: eHealth implementation and re-design: the role of clinical staff and how to involve them</p> <p><i>K. Yderstræde</i>: Short introduction to a new document: eHealth in Wound Care - From Conception to Implementation</p> 	<p><b>Free Paper Session: Devices and Intervention 3</b> Chairs: A. Piaggese, L. Primmer</p> <ul style="list-style-type: none"> <li>□172, 173, 174, 175, 176, 177</li> </ul>

Due to CME regulations no industry names or logos are allowed in the overview programme.  
Detailed programme of industry sessions is available on page 100-108.

# PROGRAMME OVERVIEW FRIDAY 12:20-16:15

TIME	Platinum 1-2	Platinum 3-4	South Gallery 19-22	South Gallery 23-26	South Gallery 11-12
<b>FRIDAY 15 MAY</b>					
12.20-13.20				<b>eHealth Symposium: New technologies - new opportunities</b> Chairs: S. Schug, T. O'Conner <i>M. Bates</i> : The road to adopting e-technology to support improved clinical management of patients with diabetic foot ulceration <i>M. Romanelli</i> : SWANiCare: Portable NPWT device for home monitoring <i>M. Burns</i> : Coordination of pressure ulcer care through the entire care pathway: the impacts of new tissue viability measurement technology 	
12.45-14:15	Lunch & Exhibition				
14.15-15:45	<b>Key Session: NPWT - Where are we now, what are the controversies?</b> Chairs: J. Apelqvist, C. Willy <i>C. Willy</i> : The therapeutic and prophylactic use of NPWT in complex surgical wounds <i>M. Malmjö</i> : NPWT mechanisms of action and protection of exposed organs <i>A-M. Fagerdahl</i> : NPWT – the patient's perspective <i>P. Vowden</i> : Legal and organization perspectives in the use of NPWT in home care/primary care	<b>Key Session: Living with non healing wounds. Psychosocial concerns and quality of life as a patient informed outcomes</b> Chairs: J. Soriano, M. Koschnik □183. <i>C. Wann-Hansson</i> : Long term follow up research of health related quality of life <i>J. Soriano</i> : HRQoL instruments for patients with chronic wounds <i>A. Pokorná</i> : HRQoL in patients with pressure ulcers <i>K. Arkley</i> : Managing pain and stress in wound healing		<b>Key Session: Hard-to-heal wounds – a challenge for all involved</b> Chairs: G. Gethin, S. Läuchli □184. <i>S. Läuchli</i> : The challenge of hard-to-heal wounds □185. <i>M. Collier</i> : What is a complex wound □186. <i>D. Mayer</i> : Advanced treatments and future perspectives	<b>Workshop: Improve mobility and independence with high quality foot care- Softcast Heel Protectors</b> <i>G. Sykes</i> <i>N. Stubbs</i> □187
15.45-16.15	<b>Closing Ceremony and Prizes</b>				

FRIDAY 15 MAY • Registration 07:30-14:00 • Exhibition 09:00-14:00

Due to CME regulations no industry names or logos are allowed in the overview programme.  
 Detailed programme of industry sessions is available on page 100-108.  
 Detailed descriptions of sessions available page 42-72.
