

Dr Stephan H Schug MD MPH

Biography:

Stephan Schug acts as Chief Medical Officer of EHTEL and has a long track record in European eHealth and telemedicine with a focus on innovation, interoperability and integrated care. Since 2000, he supports the strategic development of EHTEL as a multi-stakeholder platform e.g. by acting as Editor-in-Chief, supporting the ELO network of national/regional eHealth Competence Centres and coordinating the programme of the yearly EHTEL symposium. Recently - as nominated representative to the EU eHealth Stakeholder Group (eHSG) - he led the preparation of the eHSG telemedicine recommendations towards Digital Agenda Key Action 13/2. Stephan is or has been involved into strategic European telehealth projects like RENEWING HeALTH (Coordinator of the User Advisory Board), United4Health and MOMENTUM. Likewise he is engaged in projects preparing the ground for interoperable eHealth services like CALLIOPE, eHealth Governance Initiative (eHGI), SUSTAINS and Antilope. Via the ELO Network, he maintains links to EXPAND and the further preparation of the Connecting for Europe Facility.
