

Tarja Niemi, CV

Tarja Niemi is a senior consultant in plastic surgery in Turku University Hospital (Finland) in the Department of Plastic and General Surgery. She graduated from the medical school of Turku University where she had also her training in general surgery. She was qualified as plastic surgeon in 2002 after residency in Helsinki University. She is a past president of the Finnish Association of Plastic , Reconstructive and Aesthetic Surgeons.

Her clinical areas of concern are soft tissue sarcomas, trauma reconstructions, reconstructive microsurgery and complex wounds. She has been involved in several projects to improve treatment chains in wound care and is now working part time as project manager in a project improving communication between primary and secondary care by means of telemedicine and protocol synchronisation.
